Call for Abstracts of Papers on Menstruation

Menstrual Health/Hygiene Partners’ Alliance (MHM PA) announces a Call for Abstract of Papers on Menstruation from interested persons/organizations by 28th April 2023. The specific themes around menstruation for the abstracts are as below:

- Education
- Health and sexual reproductive health
- Water, sanitation and hygiene
- Governance
- Gender (inclusive of LGBTQI+)
- Menstrual products

Please note:
1) One person/organization may submit the abstract for one or more themes.
2) The papers should include but not limited to existing strategic policies, plans and program, gaps, challenges, sectoral learning and policy recommendations for each theme.
3) The abstract should not be more than 300 words (Font: Times New Roman, Font Size: 12 pts). The word limit is only for the text of the abstract and does not include title, subheadings, authors. Tables and pictures should not be included in the abstract.
4) Title of the abstract should be short. Please use standard abbreviations wherever necessary.
5) Abstract should be submitted in English.
6) The abstract should cover the following areas:
   - Background
   - Methodology
   - Results
   - Conclusion/Recommendation
   - Keywords
7) The detailed paper will be asked to the ones whose abstracts are selected by the technical committee.
8) You are invited to present the selected abstract/papers in a national Menstrual Hygiene Day event on 28th May 2023 in Kathmandu.
9) The selected abstract/papers will be remunerated.
10) Abstracts should be submitted at mhmpanepal@gmail.com by 28th April 2023.
11) Please send any queries to mhmpanepal@gmail.com.
